a) About HEI

About us: Overview

The Piloo Mody College of Architecture (PMCA), Cuttack is a leading school of Architecture in Odisha, and has been on the forefront of Architecture education in Eastern India since its establishment in 1993. PMCA is approved by the Council of Architecture (COA), New Delhi and is an 'affiliated institution' to the Biju Patnaik University of Technology (BPUT), Rourkela. The institution is a part of the Ajay Binay Institute of Technology (ABIT) Group of Institutions - managed by the ABIT- PMCA Society. PMCA is committed to provide outcome based and industry focused education and takes steps to enhance continuous quality to realise its vision and mission.

The college offers a Five-year Bachelor of Architecture (B. Arch) program, as well as a Two-year Habitat Design program. The institute is also a Nodal Centre for Research under the BPUT.

Institutional Objectives:

- To focus on the teaching learning process in imparting a meaningful education to assess the contemporary needs of design and construction of buildings.
- To educate students to design and develop socio-culturally acceptable, economically feasible and sustainable built-environments.
- To finally use the knowledge and skills for the benefit of mankind in a holistic manner

Values – Our values entail:

- Academic transparency, integrity & accountability
- Focus on promotion of quality

- Priority towards national and global concerns
- Promotion of the spirit of enterprise and new thinking in emerging areas

Vision – The Institute envisages:

To emerge as a prominent centre of learning, research and innovation in the field of Architecture, Design and Planning by encompassing progressive technological know-how, being rooted to the cultural ethos and value system, and guided by the principles of integrity, creativity and quality.

Mission – The Institute endeavors:

- To promote new knowledge through promotion of innovation and research in areas related to the built environment
- To train students to develop critical thinking and imbibe social consciousness as a professional responsibility
- To provide educational programs that nurture creativity and intellectual spirit and promote student achievement and scholarly inquiry to meet the professional challenges, international educational standards and needs of our diverse community.
- To progress as a collaborative of profession and education and promote capacity building by undertaking advanced programs in emerging areas of architecture and planning.
- To foster environmental values throughout the education program and provide resources and knowledge for indigenous and innovative sustainable building principles and practices.

c) Academics:

The college offers a five year B.Arch program, a two-year M.Arch program in Habitat Design and is also a Coursework centre for students pursuing Ph.D in Architecture under the BPUT, Rourkela

Details of Academic Programs:

The B.Arch program has an intake of 120. The M.Arch(Habitat Design) program has an intake of 20. Admissions to both the programs are as per Council of Architecture and State OJEE norms.

The college is also a Nodal Centre of Research for Architecture, under BPUT and is responsible for conducting Coursework as well as DSCs for Research Scholars

Academic Calendar:

The college prepares its own Academic Calendar in line with the University calendar for each semester at the beginning of every session highlighting important dates for reviews, workshops, site visits and tours. The Academic Coordinator is responsible for monitoring the Calendar.

Statutes/ Ordinances pertaining to Academics/ Examinations

The entire curriculum delivery and implementation is monitored regularly by the Academic Coordinators of each batch and discussed with the Academic Head and the Principal, who together constitute the Academic Monitoring Committee, as per a planned schedule. The Academic Monitoring Committee of the institute regularly monitors and assesses the course delivery, other enrichment programs planned and helps to sort out the issues (if any) timely, thereby, ensuring the adherence to the Academic Calendar.

The Examination section of the institute prepares an Exam calendar for Conduct of internal as well as end semester assessments in line with the University Academic Calendar. PMCA has a rigorously structured CIE in place to monitor and analyse the

students' academic progress. This monitoring is carried out continuously through quizzes, end module tests, and assignments by the Subject teachers at their own level and through two internal tests (as scheduled in the Academic Calendar of the institute). The Examination section periodically takes out notices for question paper preparation, conduct and evaluation of internal tests to meet the deadlines of the university. Sessional/practical subjects carry 100 marks that are distributed judiciously over regular progress of work, intermittent assessment, and final viva voce at the end of the course.

Final year thesis/dissertation of students is assessed through panel vivas at various stages of their dissertation.

These checks and balances keep the students on their toes and prevent laxity in the overall learning process.

Barrier Free facilities in the College:

A Barrier Free Environment is an inclusive environment, one which enables people with disabilities to move about safely and freely and to use the facilities within.

A safer, easier environment for the physically disabled benefits everyone. The main purpose is to integrate differently abled people easily into the college environment with universal design.

Barrier free environment in the campus includes:

- Availability of barrier free toilet in the Ground Floor of Academic Block with hand rails and grab bar provision.

- For wheelchair accessibility, there is a provision of ramp at the entrance of the college which has a non-slippery surface.

- Tactile pathways and adequate lighting has been provided in the campus.

- Careful design of steps and stairs has been done with proper provision of hand rails and proper lighting for the safety of all.

- Wall mounted signs such as room no, class room, library, public utilities etc. are placed at heights of 1.30m – 1.60m from floor finish as per Barrier Free requirements.

- Kerbs and slopes instead of steps have been provided at strategic places.

- Open doorways to aid in seamless movement have been adopted in the design .
